

Synthetic overlay fixture: tube box projection

Axis-aligned box projection (not octagon).
No interpolation; missing projection steps are not inferred as solver failures.
A saved prefix: projection-unobserved 1/2, display-omitted 0, projection partial 0; displayed partial 0; record coverage only; acceptance unknown.
A saved prefix: run RESULT evidence unavailable.
A saved prefix: plot contract=explicit plotting declarations unbound to native records; step_size=matched to each binary record h/unavailable, expected_steps=explicit_cli_unverified/unavailable, lane_count=explicit_cli_unverified/unavailable.
These intervals are synthetic and do not describe reachable states.
