

Synthetic overlay fixture: tube box projection

Axis-aligned box projection (not octagon).

No interpolation; missing projection steps are not inferred as solver failures.

B saved horizon: projection-unobserved 0/2, display-omitted 0, projection partial 0; displayed partial 0; record coverage only; acceptance unknown.

B saved horizon: run RESULT evidence unavailable.

B saved horizon: plot contract=explicit plotting declarations unbound to native records; step_size=matched to each binary record h/unavailable, expected_steps=explicit_cli_unverified/unavailable, lane_count=explicit_cli_unverified/unavailable.

These intervals are synthetic and do not describe reachable states.
